"Always find Ellen's programs insightful and motivating."

"Ellen is very knowledgeable and brings real world expertise to her topic."

"Ellen's insight is spot on!"

"Great speaker!"

"I wish the seminar was longer!"

"I'm interested in hearing more about Changing Leaders.....teaching old dogs new tricks so they can respond to different generations in organizations."

"Most people are not familiar with the characteristics of the five generations in the work place. This is a foundation that employers need to know."

"I expected the seminar to focus on recruiting but the content was much more valuable."
